WWO had a very busy but enjoyable day at the recent Boating Extravaganza, on The Marina Hindmarsh Island recently.

Two raffles were drawn. The first prize of a ski-bob, (donated by The Marina Hindmarsh Island) was won by Mrs S. Grundy of Hindmarsh Island.

The second prize of a pair of junior water skis was won by Mrs Kay Heinrich of Goolwa, (donated by Bob Little Agencies).

The second raffle to be drawn was for the prize of the Coorong painting by renowned artist Elizabeth Maxted. The lucky winner in this instance was Mrs E. Hobbs of Goolwa North.

WWO congratulates the winners and sends a big thank you to the sponsors and everyone that supported the raffles.

Another big thank you goes to Debbie and Paul Inston who carried out ex-gratia work for Margaret, Dennis and Daisy Andrews which resulted in a generous donation to WWO.

WWO is still very busy with many bird rescues in the community.

If you think you could volunteer time or expertise in the rescue and rehabilitation of native birds, please phone 0434 114 628.
